RV Park World

Off-Market Buyer Campaign. Find out what buyers would pay for your park.

We put your RV or mobile home park in front of registered RV park investors, quietly. Buyers talk price and terms with you directly. You see how the market responds before you go public or hire a broker, then you decide: sell, hold, or work with a broker.

How it works

1. **You tell us about your park.** A few questions, a couple of minutes. We call you within 1 business day.
2. **We build your campaign page.** You approve everything first: photos, details and price (or “Price on request”). Nothing goes live until you say so.
3. **Registered investors see it.** It runs only on rvpark.world, plus our investor emails on Featured and Premium. It is not on LoopNet, Crexi, RVParkStore or Facebook. Discreet, not secret.
4. **Investors message you.** We email every message straight to you the same day. You reply to the investor directly and decide who is worth a conversation.
5. **On Featured and Premium, every 90 days you get a Market Response Report** with the views of your park, the investors we emailed, and the inquiries you tell us you received.

Pick how hard you want it to work. Month to month.

Basic

$99/mo

- Your park in front of registered investors on rvpark.world
- Found by buyers filtering your state and size

RECOMMENDED

Featured

$200/mo

- Everything in Basic
- “Owner testing the market” badge and boosted placement
- We email investors who buy parks like yours in your state
- Market Response Report every 90 days

Premium

$349/mo

- Everything in Featured
- Top placement in your state and size
- Wider email reach beyond your state
- A call with us to walk through each report

On a $2,000,000 park, a 6% broker fee is $120,000. A campaign costs a small monthly fee and shows you what buyers are willing to pay first. No commission, no exclusive contract, no obligation to sell.

What you see on your dashboard

- Views of your park, to date and this 90-day window
- Investors we emailed about your park
- Every message an investor sent you about your park, with their contact details so you can reply
- Your Market Response Reports (Featured and Premium), and how to cancel

Sign in with a one-time link we email you. No password.

What we do and don’t do

We advertise your park. We don’t buy it, appraise it, set your price, arrange financing, negotiate for you, or represent either side.

Cancel anytime. To cancel, email support@rvpark.world. It stops at the end of that month. No fee, and you’re never billed again after that. Questions? Same address. rvpark.world
